

Rusty Pilot Program

Rusty Pilot Program: Get reacquainted with the current rules, procedures, preflight and procedures in this 2 hour ground training program. Experience a Advanced Flight Training Device (simulator) and the value of its use. Meet local flight instructors for carry on training available.

Directions: Suite 103, Look for the sign for Carson Aviation Academy

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
