

## IPAD use with Foreflight ( VFR )

Foreflight is the most popular of the currently available flight planning applications for the IPHONE or IPAD. This presentation will cover the options users have for Foreflight Subscriptions. Apple devices and External GPS/ADS-B solutions. It will also help in preflight planning and situational awareness. Get Hands-on experience so bring your device as WIFI is available.

**Directions:** Facility is just north of the Atlantic FBO and the Reno Air Traffic Control Tower

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
