

Staying Found

Howard Donner joins us to increase your odds of being rescued in the event of an off-airport landing or backcountry emergency. He'll cover essential survival communication methods, ranging from basic signaling strategies to the most advanced satellite systems for remote land, air and open ocean environments. You'll learn about:

- Basic Signaling
- Rescue laser devices
- Marine-based solutions
- ADS-B In rescue locations
- PLB's
- Smartphone satellite rescue systems (iPhone 14, 15, 16, etc)
- ...and More
