

How To Survive After a Forced Landing

You've made it through a forced landing-now what? Join us for a presentation with Howard Donner, MD/CFI, as he shares practical survival and rescue strategies for the critical first 8 to 72 hours after an off-airport landing. Howard will showcase essential survival gear and guide you through the critical priorities: staying safe, signaling for help, choosing the right gear, and managing shelter, water, and first aid. See the equipment up close and get actionable tips that could make all the difference.

What To Expect:

5:30 PM – 6:00 PM: Check-in, Mingle, Eat, Drink.

6:00 PM: Howard Donner Presentation

7:00 PM: Q&A
