

Flying Into Burning Man (88NV) - Hybrid Event

Get ready for one of the most anticipated Fly Safe events of the summer! Join us for a special seminar all about flying into Burning Man at the Black Rock City Municipal Airport, featuring practical tips from seasoned Burn pilots and a presentation by 88NV's Flight Ops Assistant Manager LoneWolf. We'll cover everything from navigating the Black Rock airspace, playa weather and safety reminders. PLUS: Don your best Burning Man Aviator Look and enter our costume contest—winner takes home 2 hours of free CFI time! Whether you're flying in for the first time or you're a dusty veteran of 88NV, this one's for you. Don't miss it!
