

National FAA Safety Team presents:

UPDATE for 2013 FAASTeam Safety Stand Down

Mark your calendars and we'll see you at the Stand Down! Update: registration will begin at 0730 and the 99s Aloha Chapter will be on hand to offer breakfast, lunch and snack items.* So there will be great presentations and a chance to do some gourmet hangar-eating with your hangar-flying...how could it get much better than that? *Good will donations cheerfully accepted. Meet your fellow aviators at the 4th Annual National Safety Stand Down. This year thousands of pilots across the country will come together as a Safety Community to participate in a dynamic, interactive program devoted to Local Safety Issues, Loss of Control, and the number one aviation fatal factor – Human Error. Don't miss this opportunity to hear from local flying experts, participate in dynamic discussions, and gain practical insights on how you can learn more from accident reports and reduce errors in your own flying. Be a part of the safety community. Tell your friends, "I'll see you at the Stand Down."
