

FAASTeam CFI-DPE Forum -ALL Pilots welcome Risk-Based Flight Review /GAJSC TOM

You know that the WINGS Pilot Proficiency Program satisfies the requirements for a flight review. And regular WINGS instruction gives CFIs more time to polish pilot proficiency. Regardless of whether your student is working on a WINGS phase or seeking to complete a flight review in one day, consider incorporating the Risk-based Flight Review elements we'll discuss here – in your instruction.

FAASTeam Flight Instructor Open Forums provide an opportunity for Flight Instructors, Ground Instructors, Designated Pilot Examiners, and the FAA Safety Team (FAASTeam) to meet and discuss one or more of the Top 10 Causal Factors in General Aviation Accidents at each of the Open Forums
