

SAR Rescue Procedures by Active Duty USCG Aircrew and USCG Aux Command Pilots

Event Details

This event will accommodate both in-person attendees and ZOOM participants. We will focus on survival in large bodies of water and the open ocean. We'll discuss proper use of: personal flotation gear; communication equipment; options to increase your visibility and more. Learn what it means to be exposed to real-time conditions in the Pacific Ocean while dealing with different types of gear and equipment.

The Civil Air Patrol Honolulu Airport Headquarters is accessible from Lagoon Drive. Seating is limited, please register to attend in person. If you are unable to attend the event will be simulcast on Zoom:
