

FAASTeam presents:

Runway Safety - Airport Surface Safety at Towered and Non-Towered Airports

Event Details

Fri, Jun 8, 2012 - 11:00 am
Yuba County / Marysville (MYV)

1364 Sky Harbour Drive
Olivehurst, CA 95961

Contact: KURT HAUKOHL
(310) 725-6688
khaukohl@gmail.com

Select #: WP1544970
Representative KURT HAUKOHL

The Office of Runway Safety is conducting a open discussion seminar on airport surface safety at The Golden West Flyin at the Marysville Airport preceding the airshow. Discussions will include airport signs and markings and Runway Safety including recent Incursion issues at local airports. We will also present and discuss Phraseology, Communications, and Procedures used by Air Traffic Control and share video and simulations. We encourage two-way participation and especially want to hear from you with a “cockpit perspective view” of your local area concerns.

Directions: Golden West Regional Airshow, Flyin, and Car Show - <http://www.goldenwestflyin.org>
Please note the Yuba County Airport (MYV) Marysville will have a temporary Air Traffic Control Tower for this Event.

A message from the National FAASafety Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
