San Carlos, CA 94070

**Contact: San Carlos Flight Center
(650) 946-1700**

info@sancarlosflight.com

Select #: WP1545539

Representative DAN KELLY DYER

Learn to use the iPad & ForeFlight to plan, organize, and fly your trips like never before! With a touch of the finger get real-time radar, satellite, IFR enroute (high or low), VFR sectional, fuel prices, flight rules, winds, temperatures, dew point spreads, ceilings, sky coverage, lightning, and more. Also learn about Stratus, the new portable ADS-B weather receiver designed to work with ForeFlight Mobile.

Presenter Jay Baird is a Senior Developer at ForeFlight, as well as a GA pilot who flies out of San Carlos. Join us for this interactive presentation on how to plan and navigate your flight using ForeFlight.

Directions: Located in the Skyway Building, next to the Hiller Aviation Museum. Parking and entrance behind building. Suite 215 is upstairs in the northwest corner.

A message from the National FAASafety Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
