

Airport Surface Safety at Sacramento Area Airports

The Office of Runway Safety is conducting an open discussion seminar on airport surface safety. We will begin with airport signs and markings. This session will include an interactive media portion which will “anonymously” reveal your skills and knowledge. We will also present and discuss Phraseology, Communications, and Procedures used by Air Traffic Control.

Directions: Inside the Airport Terminal Building

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
