

Meet the mystery man from RHV Tower

Reid-Hillview is a popular airport and can get pretty busy at times. Chris Padilla Air Traffic Controller at RHV will talk about: Special operations at Reid-Hillview i.e. split runways, Ground Incursion avoidance and more. He will also give you the opportunity to ask questions, raise concerns or simply put a face to that mystery voice.

Directions: On 680 exit onto Capital Expressway - travel SE on Capital. At Cunningham Ave (3rd light) turn R. Trade Winds is ahead on your R, the Terminal Building to the L.

A message from the National FAASafety Team Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants.
