

FAASTeam presents:

Pilot - Controller Forum

The Office of Runway Safety is conducting a two part open discussion seminar on airport surface safety. We will begin with airport signs and markings. This session will include an interactive media portion which will “anonymously” reveal your skills and knowledge. We will also present and discuss Phraseology, Communications, and Procedures used by Air Traffic Controllers. The tower controllers including the Livermore Air Traffic Manager will be present to discuss local pilot issues and answer your questions.

Directions: Northeast corner of the Livermore Municipal Airport
Ahart Aviation
186 Airway Boulevard
Livermore, CA 94551
(925) 449-2142

Please visit the website for additional information:
