

Pilot - Controller Forum

The Air Traffic Management at Norman Y Mineta San Jose International Airport is conducting an open discussion seminar on airport surface safety. We will present and discuss Phraseology, Communications, and Procedures used by Air Traffic Controllers at the San Jose Airport. The tower controllers will cover operations for general aviation traffic transiting between Reid Hillview and local airports and will be present to discuss local pilot issues and answer your questions.

Directions: On 680 exit onto Capital Expressway. Travel SE on Capital. Right on Cunningham Ave. (3rd light). Trade Winds is ahead on your right, the Terminal Building to the left.
