

## Approach Plate Review

Meet West Valley Flying Club's new Chief Pilot as he leads a discussion on in-flight approach plate briefings.

Jesse Gamueda has extensive experience with Part 121 (scheduled airline) and Part 135 (on-demand charter) operations, including training pilots. He will provide approach plate briefing and other safety insights taught in the professional pilot world that the Part 91 Private Pilot will find useful.

**Directions:** From highway 101 head east toward the bay, turn left after the golf course. West Valley Flying Club is the second driveway on the right. Overflow parking in the golf course lot.
