

Reducing pilot error and improving aeronautical decision making

About 85 % of aviation accidents are caused by pilot error. In this program we will examine elements of Aeronautical Decision Making and Single Pilot Resource Management with a focus on risk management and breaking the accident chain.

Directions: Hwy 101, exit San Martin Ave, go west one short block, (from 101 south bound, a very short block) to Murphy Ave, south on Murphy, around the west of E16, look for a sign of the Museum. Overflow parking on Murphy Ave.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area
Sign up for the FAA's safety services at www.FAASafety.gov!
