

Flying the San Francisco Bay Tour

We will help you plan a safe and scenic flight through the San Francisco airspace using videos & photos to guide you through your ATC communications & the highlights of the trip. Preflight planning discussion on important navigational aids, VFR references and operational procedures including what to do in the event of engine power loss. Develop a Personal Minimums Checklist for your tour of the Bay Area.

Directions: From HWY 1 Exit on Airport Blvd and head North on Airport Blvd. Make a left Turn on Aviation Way (0.7Mi from HWY 1) and destination will be on the airport side.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
