

Western Pacific FAAS Team presents:

# Strategic Methods of Thinking

Learn some of the defensive secrets that have kept pilots from falling victim to aviation's natural predators and enemies. Tom Wolfe's book, *The Right Stuff*, portrayed individuals having superior survival skills. The "Right Stuff" as it is known is made up of a strategic method of thinking. These thought patterns are presented to help pilots make each flight with confidence and safety.

**Directions:** From the South:

Highway 101 northbound. Exit Los Osos Valley Road. Right turn on Los Osos Valley Road. Left turn on South Higuera Street. Right turn on Tank Farm Road. Right turn on Broad Street/Highway 227. Right turn on Aero Drive. Left turn on Airport Drive.

From the North:

Highway 101 southbound. Exit Los Osos Valley Road. Left turn on Los Osos Valley Road. Left turn on South Higuera Street. Right turn on Tank Farm Road. Right turn on Broad Street/Highway 227. Right turn on Aero Drive. Left turn on Airport Drive.

From Runway:

The San Luis Jet Center is located just north of the tower, on the east side of the field.
