

FAASTeam presents:

Sound Like a Pro on the Radio

You have heard pilots on the radio sounding polished and professional, and others who need a little more practice. We all strive to put our best voice forward on the radio to promote safety and to avoid clogging up the frequencies. There is always room for improvement because after all, a good pilot is always learning. SCFC welcomes back presenter Bennett Taber to share his insights into pilot/controller radio communication. Included in the discussion will be:

How to make more concise radio transmissions
A better understanding of the controller/pilot interaction

Tips for avoiding common missteps
Inoculating yourself against common radio viruses
Join us for Ben Taber's seriously humorous take on general aviation and dive deeper into your pilot knowledge bank at this fun and challenging seminar. Bennett Taber is a check airman and training captain with over 20 years and 12,000 hours of air charter experience throughout the western United States. His first 500 hours of flying were conducted in Alaska. Mr. Taber manages flight operations and charter sales for Dreamline Aviation in the San Francisco Bay Area and is a Dreamline Training Captain in Beech King Air aircraft. San Carlos Flight Center was voted Best Flight School in the US in the
