

FAASTeam presents:

Steps to Becoming a CFI

Have you ever considered becoming a flight instructor? Maybe you are working toward a professional pilot career. Or maybe you've worked in Corporate America, and want a more enjoyable second career. Or maybe you like to keep earning ratings as a way of continuous learning. Regardless of what your motivation and goals are, the steps to becoming a CFI are the same for everyone. Join SCFC Chief Pilot Dan Dyer for a discussion of what it takes to become a Certified Flight Instructor. He will cover what steps are involved and what you should expect in terms of time and financial commitment. He will also share his insights and methods for being an effective teacher. Dan Dyer is Chief Pilot of San Carlos Flight Center and has been instructing for 11 years, first in helicopter and now in airplanes. He has almost 4,000 flight hours and is the Bay Area's local expert in crosswind landing instruction. For years, he has taught a highly regarded Private Pilot ground school in San Carlos and is known for finding simple and innovative ways to explain complex topics. He regularly speaks on advanced ground school topics, and was one of the founders of the Bay Area FlyOutGroup - a social club of over 350 pilots that meet for lunches, dinners, and other fun aerial adventures. Find out more about Dan

Event Details

Wed, Apr 9, 2014 - 7:00 pm

San Carlos Flight Center

655 Skyway Rd

Suite 215

San Carlos, CA 94070

Select #: WP1554954

Representative Terry Fiala

at www.sancarlosflight.com or contact him at dan@sancarlosflight.com. San Carlos Flight Center was voted Best Flight School in the US in the 2013 AOPA Flight Training Excellence Awards. We are committed to promoting safety in general aviation through our evening safety seminar programs. For more information about this and any of our weekly seminars, please visit <http://sancarlosflight.com/activities-and-events>.

Directions: Located in the Skyway Building, next to the Hiller Aviation Museum. Parking and entrance behind building. Suite 215 is upstairs in the northwest corner. Pilots who fly in should park in transient parking and call the Flight Center for a ride (650) 946-1700.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
