

## Inflight Weather Tactics

This fantastic weather seminar, presented by Bill Frank, will cover Inflight Weather Tactics and Decision-making. Bill presents a wealth of practical information coupled with incredible inflight footage. Join us from 6:30 PM - 8:30 PM for this informative event at JATO Aviation at the Livermore Airport

**Directions:** Take Airport Blvd. off of Highway 580 in Livermore. Continue South towards the airport. The Ruby Hill Building is the first building as Airway Blvd curves East (just East of the tower)

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
