

FAASTeam presents:

Student Pilot Jeopardy

Welcome to Student Pilot Jeopardy, the Bay Area's favorite answer-and-question-game for Student and Private Pilots! Yes, we give the answers, and then it's up to you to come up with the questions. Join us as we tackle some of these possible categories: - Alphabet Soup (airspace) - The Air Up There (pressure and density altitude) - Suck/Squeeze/Bang/Blow (engine systems) - By the Book (regulations) - Talking the Talk (radio communications) Are you preparing to take the FAA Knowledge Test or preparing for a flight review? Student Pilot Jeopardy turns your lonely study sessions into a fun, supportive and interactive group game. Study up and join us to compete for the title of Bay Area Private Pilot Knowledge Champion! Your co-hosts for Student Pilot Jeopardy will be Dan Dyer and Herb Patten. Dan Dyer is Chief Pilot of San Carlos Flight Center and has been instructing for 11 years, first in helicopter and now in airplanes. He has almost 4,000 flight hours and is the Bay Area's local expert in crosswind landing instruction. For years, he has taught a highly regarded Private Pilot ground school in San Carlos and is known for finding simple and innovative ways to explain complex topics. He regularly speaks on advanced ground school topics, and was one of the

founders of the Bay Area FlyOutGroup - a social club of over 350 pilots that meet for lunches, dinners, and other fun aerial adventures. Find out more about Dan at www.sancarlosflight.com or contact him at dan@sancarlosflight.com. Herb Patten is an FAA certificated advanced and instrument ground instructor who teaches Private Pilot ground school at San Carlos Flight Center. He holds a private pilot certificate with an instrument rating, has over 600 hours and flown into 111 different California airports. He is a board member of the San Carlos Pilot Association, SCAPA, co-founder of the Bay Area Student and New Pilot group, and an executive member of the Upwind Summer Scholarship Program steering committee. When not giving presentations he can be found in the air pursuing his aviation interest or supporting others in their flying adventures. San Carlos Flight Center was voted Best Flight School in the US in the 2013 AOPA Flight Training Excellence Awards. We are committed to promoting safety in general aviation through our evening safety seminar programs. For more information about this and any of our weekly seminars, please visit <http://sancarlosflight.com/activities-and-events>.

Directions: Located in the Skyway Building, next to the Hiller Aviation Museum. Parking and entrance behind building. Suite 215 is upstairs in the northwest corner. Pilots who fly in should park in transient parking and call the Flight Center for a ride (650) 946-1700.

A message from the National FAASafety Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
