

ADS-B What's It All About?

Most folks have heard about ADS-B but a lot of people are not sure what it is and what is required. This seminar will attempt to explain it all. What exactly is ADS-B anyway? When is it legally required to be installed? What are the benefits? How well do the portable units work and will they satisfy the mandate? What is the difference between UAT and ES? All this and much more will be explained in this fast paced seminar.

Directions: On Hwy 680, exit onto Capital Expressway. Travel Southeast on Capital. At Cunningham Ave. turn Right. Ried-Hillview Terminal building is straight ahead on the left.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
