

Aircraft Performance and Limitations

Stephen West is a CFII and graduate student in Aeronautics/Astronautics at Stanford University and hold a BS in Aerospace Engineering from North Carolina State University. As such, he brings great insight into aircraft design and how it relates to performance aerodynamics, stability/control and structural integrity

Directions: From HWY 1 Exit on Airport Blvd and head North on Airport Blvd. Make a left Turn on Aviation Way (0.7Mi from HWY 1) and destination will be on the airport side.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
