

FAASTeam presents:

Private Pilot Jeopardy

Welcome to Private Pilot Jeopardy, the Bay Area's favorite answer-and-question-game for Student and Private Pilots! Yes, we give the answers, and then it's up to you to come up with the questions. Join us as we tackle some of these possible categories:

- Alphabet Soup (airspace)
- The Air Up There (pressure and density altitude)
- Suck/Squeeze/Bang/Blow (engine systems)
- By the Book (regulations)
- Talking the Talk (radio communications)

Are you preparing to take the FAA Knowledge Test? Preparing for a flight review? Not preparing for anything but want to test your knowledge in a fun way? Private Pilot Jeopardy is a fun, supportive and interactive way to keep important regulations and other pilot knowledge sharp without falling asleep over the books. Challenge your pilot friends to join us as we compete for the title of Bay Area Private Pilot Knowledge Champion!

Your co-hosts for Private Pilot Jeopardy will be SCFC instructors Dan Dyer and Herb Patten.

Dan Dyer is Chief Pilot of San Carlos Flight Center and has been instructing for 11 years, first

Representative Terry Fiala

in helicopter and now in airplanes. He has almost 4,000 flight hours and is the Bay Area's local expert in crosswind landing instruction. He is known for finding simple and innovative ways to explain complex topics, and was one of the founders of the Bay Area FlyOutGroup - a social club of over 500 pilots that meet for lunches, dinners, and other fun aerial adventures. Find out more about Dan at <http://www.sancarlosflight.com/> or contact him at dan@sancarlosflight.com.

Herb Patten is an FAA certificated advanced and instrument ground instructor who teaches private pilot ground school at San Carlos Flight Center. He holds a private pilot certificate with an instrument rating, has over 600 hours and flown into 111 different California airports. He is co-founder of the Bay Area Student and New Pilot Support Group, and a board member of the Upwind Foundation, famous for its Upwind Summer Scholarship Program. When not giving presentations he can be found in the air pursuing his aviation interest or supporting others in their flying adventures. San Carlos Flight Center was voted Best Flight School in the US in the 2013 AOPA Flight Training Excellence Awards. We are committed

to promoting safety in general aviation through our evening safety seminar programs. For more information about this and any of our weekly seminars, please visit <http://sancarlosflight.com/activities-and-events>.

Directions: Located in Hangar A3 next to the Skyway Building and the Hiller Aviation Museum. Parking and entrance behind building. Pilots who fly in should park in transient parking on the opposite side of the field and call the Flight Center for a ride (650) 946-1700.
