

Surprise! Surprise!

The FAASTeam Open Forum is an opportunity to collaborate with fellow CFIs, Examiners and pilots to promote the development of effective teaching strategies. Here is an opportunity to collaborate and develop best practices for instructors and their students, aircraft owners and renters.

Directions: From the North: Take Highway 1 South to Monterey. Take the Highway 68 East exit towards Salinas and merge onto the Monterey-Salinas Highway (Hwy 68 East). Go approximately 1.5 miles and turn left onto Olmsted Road and follow to the main terminal. From the South: Take Highway 1 North to Monterey, turn onto Highway 68 East towards Salinas. Merge onto the Monterey-Salinas Highway. Then as above.

Ticketed parking is available in short-term parking on the right just before you get to the terminal and in the parking lot across from the terminal. The upper level parking lot on the right is more convenient to the meeting facility. Bring the parking ticket with you to obtain the airport stamp to waive the parking fee.
