

FAA Safety Team presents:

## **Switching to ICAO Flight Planning (FAA Form 7233-4)**

The FAA has announced a mandatory transition to the International (ICAO) Flight Plan Form 7233-4 that will occur in January 2017. The new ICAO Flight Plan form is already required to obtain certain types of in-flight ATC services and routing. In January it will be used for all IFR and VFR flight planning, replacing the domestic flight plan form we have used for decades.

**Directions:** From the North: Take Highway 1 South to Monterey. Take the Highway 68 East exit towards Salinas and merge onto the Monterey-Salinas Highway (Hwy 68 East). Go approximately 1.5 miles and turn left onto Olmsted Road and follow to the main terminal. From the South: Take Highway 1 North to Monterey, turn onto Highway 68 East towards Salinas. Merge onto the Monterey-Salinas Highway. Then as above.

Ticketed parking is available in short-term parking on the right just before you get to the terminal and in the parking lot across from the terminal. The upper level parking lot on the right is more convenient to the meeting facility. Bring the parking ticket with you to obtain the airport stamp to waive the parking fee.

### **A message from the National FAASafety Team Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
