

Reid-Hillview Airport Runway Safety and Future Developments

Reid-Hillview Airport (KRHV) pilots and guests are welcome to come and hear the Director of Airports, Eric Peterson, speak about Runway Safety. He will also present information on planned improvements to runways and taxiways. There will be plenty of time for questions and answers at the end.

Directions: Seminar will be held in the lobby of the Reid-Hillview Airport Terminal building. From Highway 680, exit onto Capital Expressway. Travel Southeast on Capital Expressway. At Cunningham Ave. turn Right. Reid-Hillview Terminal building is straight ahead then slightly left.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
