

San Carlos Tower Operations

Ms. Maye will discuss recent pilot deviations, as well as provide general feedback to the local pilot community on conducting safe and efficient operations at San Carlos. There will also be a Q&A session at the conclusion of the seminar.

Come meet the Tower Manager and help maintain the critical partnership between pilots and ATC!

Directions: From highway 101 head east toward the bay, and take two immediate right-turns onto Skyway (along the west side of the airport). The Skyway building is on the left after the Aviation Museum.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
