

Visiting All 240 Public-Use Paved Airports in California

Join West Valley Members Steve Blonstein and Bob Johnson as they recount a 22000 mile journey around California, landing at all 240 public-use paved airports. Learn about airport operations in the mountains, deep valleys, below sea level, remote locations, rough runways, and the experience of taking a GA plane into both LAX and SFO.

Directions: From highway 101 head east toward the bay, turn left after the golf course. West Valley Flying Club is the second driveway on the right. Overflow parking in the golf course lot.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
