

Medical Considerations for Pilots

Pilots must consider their fitness for flight. Our speaker, an AME with diverse experience and an interest in keeping pilots fit for flight, will advise us about:

1. What to consider when using over the counter medications
2. The seriousness of pilot fatigue
3. Traditional medical exams versus Basic Med exams

Directions: Hwy 101, exit San Martin Ave, go west one short block, (from 101 south bound, a very short block) to Murphy Ave, south on Murphy, around the west of E16, look for a sign of the Museum. Overflow parking on Murphy Ave.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
