

## Bay Tours - Everything You Want to Know

Bay Tours can be intimidating, but not if you're prepared. Should you launch toward OAK or SFO? From PAO or SQL? Where do you go if SFO is not allowing Class B surface transitions? What do you do if your engine quits over the Bay? Or over San Francisco? How do you manage your passengers during this busy flight? And a few more techniques, videos, and stories you just won't get anywhere else!

**Directions:** From highway 101 head east toward the bay, turn left after the golf course. West Valley Flying Club is the second driveway on the right. Overflow parking in the golf course lot.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
