

FAASTeam presents:

# A Pilots AIM for Success

A prerequisite to attend that every pilot either have an instrument rating or be working on one. The Federal Aviation Regulations and the Aeronautical Information Manual are both incredibly dense but are essential and invaluable references for pilots. This book has everything but when is the last time you used it? Many parts will never change but many parts do. What's new this year? Where do you start to this find out? In this seminar, Capt Ben Taber will highlight areas that pilots often overlook, or haven't reviewed and will lead a discussion about commonly misunderstood topics.

Join us for Ben's seriously humorous take on general aviation and dive deeper into your pilot knowledge bank at this fun and challenging seminar. No matter what type of pilot you are, there is something here for you.

Capt Bennett Taber is a check airman and training captain with over 20 years and 15,000 hours of air charter experience throughout the western United States. His first 500 hours of flying were conducted in Alaska. Captain Taber manages flight operations and charter sales for Dreamline Aviation in the San Francisco Bay Area and is a Dreamline Training Captain in Beech King Air aircraft.

## Event Details

**Wed, May 9, 2018 - 19:00 PDT**

**San Carlos Flight Center**

655 Skyway Rd,

Suite 215

San Carlos, CA 94070

**Contact: David Kramer**

**408 981-6424**

This event qualifies for FAA Wings credit.  
Any questions, contact us at (650) 946-1700 or  
[info@sancarlosflight.com](mailto:info@sancarlosflight.com).

San Carlos Flight Center is committed to promoting safety in general aviation through our evening safety seminar programs. Space is often limited so it is important to sign up early through the FAA event notification system at [FAASAFETY.GOV](http://FAASAFETY.GOV). SCFC members may choose to watch the seminar live over the web at home. Contact your SCFC member service rep at (650) 946-1700 to confirm secure online access to any particular seminar.

**Directions:** Directions to Room: Pilots who fly in should park in transient parking on the opposite side of the field and expect to walk about 10 minutes (.5 mile) to the Flight Center. Suite 215 is upstairs in the northwest corner. On occasion, rides may be prearranged through San Carlos Aviation and Supply.

**A message from the National FAASafety Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
