

San Francisco Class B changes

On August 16, the Class Bravo around San Francisco will be changing shape. During this presentation we will review where we find Class Bravo, the regulation pertaining to Class B and the specific changes happening around San Francisco and the strategy to fly around our famous bay tour.

Directions: Closest parking is located at the front of the museum so enter the main doors and proceed to the atrium. This is the large meeting area directly behind behind the main doors.

Just before reaching the museum, turn on Monte Vista Drive and parking is on your right at the end.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
