

FAASTeam presents:

**See Webinar Announcement for Registration Link to SFO Class  
Bravo Airspace**

The new SFO B is almost here. SCFC in cooperation with the FAA Safety Team and Air Traffic will host a presentation and discussion about the new SFO Bravo. Airspace meetings and comments concerning the proposal to amend the Class B airspace area at San Francisco, CA were received by March 16, 2017.

The new SFO Class Bravo Airspace is set to go into print on August 16th so don't miss this important topic which will affect your Bay Area Flights. Michael Seko, Support Specialist, NCT TRACON will present the plan and a Q&A session will follow.

Note the Seminar Time is 10 AM - 12 Noon

Michael Seko, Support Specialist, NCT TRACON was hired in 1988 into Oakland Center and worked the northern area, including Napa, Santa Rosa, Redding and Chico until 1996. He transferred to Bay Approach in 1996 and worked there until it merged with Norcal Approach in 2001. For a change of pace, Michael took 8 ½ years off in the private sector and returned to NorCal Approach in 2010, working the Southwest airspace, including South Bay from San Carlos South, down to Big Sur, and East past the Salinas valley up to San Jose.
