

## Maintenance tips to fly airplanes safely

Daniel Neal of the new San Martin Aviation maintenance facility, located next to Magnum Aviation at San Martin Airport (E16), will talk about things pilots and plane owners can do to keep their flying as safe as possible.

The focus will be on three key topics:

Annual inspections

Preventive maintenance that can make annual inspections go well

Approved and unapproved parts for certified aircraft

**Directions:** Hwy 101, exit San Martin Ave, go west one short block, (from 101 south bound, a very short block) to Murphy Ave, south on Murphy, around the west of E16, look for a sign of the Museum. Overflow parking on Murphy Ave.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
