## 'The Finer Points of Flying'.

Jason Miller ATP, CFII.

Jason is a veteran CFI with more than 20 years of aviation experience and nearly 10,000 hours of instruction given. Jason is a member of the FAA safety team, an instructor for AOPA's Air Safety Institute and was named by the FAA as the western pacific CFI of the year for 2009.

"I am passionate about developing systems that help pilots become safer and more efficient," says Miller.

**Directions:** Pilots who fly in should park in transient parking on the opposite side of the field and expect to walk about 10 minutes (.5 mile) to the Flight Center. Suite 215 is upstairs in the northwest corner. On occasion, rides may be prearranged through San Carlos Aviation and Supply.
