

Palo Alto Tower Operations

PAO Tower controllers will offer a brief presentation on current operational topics and provide feedback to the local pilot community on conducting safe and efficient operations at Palo Alto Airport. There will also be a Q&A session at the conclusion of the seminar. Come meet your local controllers and help strengthen the critical partnership between pilots and ATC!

Directions: From Highway 101 head east toward the bay, turn left after the golf course. West Valley Flying Club is the second driveway on the right. Overflow parking in the golf course lot.
