

Cordless Power Tools in Aviation

Due to the Coronavirus this seminar will be held as a Webinar. Stay tuned to FAASafety.gov. Are cordless electric tools and their invasion into aviation FAA approved for use on aircraft?

Directions: US-101 South, take CA-46E exit toward Fresno/Bakersfield. Turn left onto Airport Road at 2.4 miles, cross Dry Creek Road and turn right onto Wing Way and make another immediate "U-turn" onto Taxi Way and follow it to the terminal. The seminar will be located in the foyer area upstairs in the main terminal.

A message from the National FAASTeam Manager
