

FAASTeam presents:

Bay Tours - Everything You Want to Know

Canceled due to Coronavirus health risk. Bay Tours can be intimidating, but not if you're prepared. Should you launch toward OAK or SFO? From PAO or SQL? Where do you go if SFO is not allowing Class B surface transitions?

What do you do if your engine quits over the Bay? Or over San Francisco? How do you manage your passengers during this busy flight? And a few more techniques, videos, and stories you just won't get anywhere else!

Nariman Farsaie is a CFI at West Valley Flying Club, has been teaching for over 15 years, and is a passionate, animated speaker.

Join us to make your next (or first) Bay Tour a safe, low-stress, and fun experience!

Directions: From highway 101 head east toward the bay, and take two immediate right-turns onto Skyway (along the west side of the airport). The Skyway building is on the left after the Aviation Museum.

Flying In: Transient parking is on the opposite side of the airport. Plan on a 10-15 minute walk around the airport perimeter to the Skyway building.

Event Details

Wed, Mar 25, 2020 - 19:30 PDT
