

FAASTeam presents:

Private Pilot Bucket List

Congratulations, you've earned the coveted Private Pilot License. You undoubtedly have a long list of things you want to do and places you want to go.

There are so many reasons to fly and so many great flying challenges that await us, it's a shame some pilots rarely push themselves beyond a \$100 hamburger flight. Join CFI Herb Patten as he shares best practices after obtaining your license, unique nearby destinations, trip planning considerations, and opportunities to expand your skills as a newly certificated pilot.

Join us for this exciting discussion that will give you new, fun ideas for ways to use your pilot skills and share the wonder of California with your family and friends.

Herb Patten is the Chief Pilot at the San Carlos Flight Center, a CFI and an FAA certificated advanced and instrument ground instructor who teaches private pilot ground school at San Carlos Flight Center. He is a commercial pilot with an instrument rating, has flown over 1,500 hours into at least 120 different California airports. He is the current chairman of the Upwind Foundation, famous for its Upwind Summer Scholarship Program. In 2015, Herb was named a Master Instructor by the National Association of Flight
