

# WINGS Over SLO Pilot Proficiency Workshop SLO99s Scholarship Fundraiser

Reviewing the basics of safe flight including: Airspace, Flight Instruments, Engine, Systems and Instruments, Weight and Balance, Navigation and Weather. Great for those interested in learning to fly, in the process of getting your first license or adding a rating, prepping for that bi-annual flight review and for the rusty pilots ready to get back in the right seat.

**Directions:** Rte. 227 to Aero Drive, left to Airport Drive, ACI on the right. The seminar is located in the large hangar off the lobby. Parking will be available on site on a first come-first served basis.

Prior to attending a safety seminar, please review and abide by current CDC, State and Local health guidelines.

## A message from the National FAASTeam Manager
