

Lessons Learned from a Career in the Sky

Great aviators are shaped by the lessons they learn from others. Every flight brings new challenges, and the most experienced pilots have faced them time and again. By listening to their stories and insights, we can all grow into better, safer pilots.

San Carlos Flight Center is proud to welcome retired Captain Bennett Taber, who brings knowledge from more than 35 years of experience in the skies. In this seminar, Captain Taber will reflect on key learning moments from his professional career, share best practices, and discuss how every pilot can strive for excellence. He will highlight the importance of attention to detail, its impact on flight operations, and the value of mastering the basics.

There is only so much one can learn from the classroom and our routine flying. Join us to learn how to fly your best from a seasoned aviator.

Event Details

Wed, Sep 10, 2025 at 19:00 PDT

San Carlos Flight Center

795 Skyway Rd

Suite A

San Carlos, CA

Contact: Herbert Patten

(415) 272-1265

Select #: WP15139068

Representative Herbert Patten n/a

San Carlos Flight Center is on the southwest side of the airport and there are no transient aircraft parking spots on the field other than the Transient Parking adjacent to the SQL Terminal Building. If you plan to fly in for the event, please be aware that we have no parking spots and that you'll need to walk 0.7 miles around the airport from airport Transient Parking to our offices.
