FAASTeam presents:

Reid-Hillview Tower Pilot Outreach Briefing

Pilots are invited to join Reid-Hillview Tower Controllers Jack Trieger and Cris who will present a safety briefing on operations at the Reid Hillview Airport. The presentation will help pilots be more aware of safety concerns at the airport and thereby operate safely while on the surface and in the air. The briefing will cover the following topics:

- RHV Tower Staffing and Position Overview
- Position Puck Boards
- Controller-in-Charge Role and Responsibility
- Mandatory Occurrence Reporting (MOR)
- Incident and Accident Response
- Tower's Role and Responsibilities
- Airport Ops/Police/Fire Department Response
- Q&A and Open Discussion
