

FAASTeam CFI Workshop Number #6

FAASTeam Representative Jim Witt will put on a presentation on takeoffs, landings, and low altitude maneuvering; aircraft operational limitations; followed by an open forum. This workshop will be a planning session for approach and landing safety clinics to be held this spring. Interested CFIs will be called on to assist in these clinics.

Directions: From Santa Fe, enter Castle Airport and follow 8th St. to B St and turn right to the corner of B St and 12th St. The Operations Center is located in this complex of buildings and parking is available. Fly in attendees can take a brief walk to the event. Obtain directions from FBO employees.

A message from the National FAASTeam Manager
