

## FAASTeam Flight Instructor Open Forum

Are you the best instructor you can be? Odds are, we can all use a little refresher on what it means to be a truly professional CFI. Do you have any suggestions about how to stem the dropout rate among student pilots? Want to learn more about what's working and what's not? Join CFI Bill Woodbury and DPE Donna Webster for this audience-driven forum and conversation at Bakersfield Muni and earn Wings credit at the same time.

**Directions:** From Highway 58. Union Avenue South to Wilson Ave. EAA Building is located across the parking lot from the Rocket Shop Cafe.
