

Flying the Spectacular Grand Canyon

The Grand Canyon is considered to be one of the seven natural wonders of the world and it is almost in our own backyard. This seminar will focus on flying in the Special Flight Rules Area that surrounds the Grand Canyon National Park. Pilots will learn how to transit this airspace legally and with confidence. Local Bakersfield Flying Club member and speaker, Jeff Peters, took this trip and will share his tips, memories and photos. After all, trips like this one, are the reason that we have earned our pilot certificates. Make this trip and you will not be disappointed!

Directions: From Hwy 99, Merle Haggard Drive East to Airport Drive. South on Airport Drive to Skyway Drive.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
