

## Owner/Operator Maintenance and Related Issues

Safety Counsellor Jose Salazar will lead an informative seminar on what maintenance you can and cannot perform on your personal aircraft and how to make the legal log-book entries as well. Modesto Tower Chief Pete Echevarria will also be on hand for an update on any ATC related issues and to consider your concerns as well.

Mr. Salazar is a former FAA Inspector with an extensive military aviation maintenance background, and presently teaches at the FAA Academy.

**Directions:** From Highway 99 north, Take Exit 220 and follow Mitchell Road to Airport Way. From Highway 99 Southbound, Take Exit 226A and then Take G St, Yosemite Blvd and Tenaya Dr to Airport Way

### A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
