

I Survived A Crash!

Ever fly in the mountains or remote areas? Ever consider how to mitigate all the additional risk factors that go into flying off the beaten path? Join us for this fascinating recounting of Brian Brown's brush with near catastrophe. Listen to him detail his decision making at various points in the flight, the big factors that got him into trouble, and what led up to his successful rescue.

This event is both a presentation and mixer. Buffet dinner is available for \$11.99 but not required. Come listen to this important presentation, see some old friends and make some new ones.

Directions: Si Senor Grill and Restaurant is at the corner of Airport Drive and China Grade Loop.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
