

Coming Changes to the SFO Class B Airspace

The new SFO B is almost here! SkyTrek Aviation, in cooperation with the FAA Safety Team and Air Traffic will host a presentation and discussion about the new SFO Bravo Airspace. Meetings and public comments concerning the proposal to amend the Class B airspace area at San Francisco, CA were received for review by March 16, 2017.

The new SFO Class Bravo Airspace is set to take effect on August 16th so don't miss this important topic which will affect your Bay Area Flights. Michael Seko, Support Specialist, NCT TRACON will present the briefing with a Q&A session to follow. Refreshments will be served!

Directions: From CA-99N, take exit 220 for Mitchell Rd. Merge onto Mitchell Rd. In 3.6 miles, Turn Left onto Airport Way. SkyTrek Aviation will be on the Left.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
